

50th Anniversary Events — Ivo Austin, Contract Analyst

THIS past Fall, we at NBI celebrated the company's 50th anniversary with our biggest ever Open House and a special staff excursion, yachting on the San Francisco Bay. We would like to extend a big thank you to all of our guests, and to all of the NBI employees who made the Open House so successful!

New Opportunities

HERE we are in February 2019 and it seems to be a busy start to the year. We have changes in personnel and new opportunities that I would like to mention. Most of you will be aware that Liz Sutton, Vice President Contract Support retired on January 1st after 39 years of service with NBI. We wish Liz all the best in retirement and hope to see her from time to time at some of our events. Rick Sparks has also retired after many years of service, and finally, Luisa Buenaflor has retired after 25 years of service. We wish everyone all the best in their retirement and hope to see them at our events in the future.

NBI is excited about a few new contracts coming up. On the services side we have a new custodial contract, which will open up some new opportunities for staff and people with disabili-

ties. On the products side, we have started to produce the Air Force dress skirt and we are working on the Navy slacks contract, which should start in the next couple of months. I want to thank all the personnel that have been involved in getting these contracts started; there is a lot of hard work completed behind the scenes to get each new project off the ground. Thank you!

I am sure that most of you are also aware that we have purchased property in Carson City, Nevada and plan to move our new sewing projects to this site. This is an exciting endeavor and it will be the first time in the long history of NBI to operate a contract in a different state. If anyone would like more information on this project, please feel free to come and see me.

As you can tell, there are many new things happening at NBI and I predict it is going to be a very busy year for us

all. I want to thank you all for your dedication to NBI and look forward to seeing you all in the coming months.

Thank you,

Robert Hutt, President/CEO

Departures — Jamie Freymuth Thompson, Director Program Services

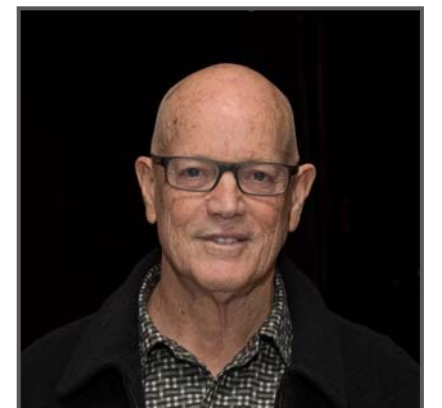

HELLO from Contract Support! As you may have heard, NBI is missing

Liz Sutton and Luisa Buenaflor

not one, but THREE seasoned employees to a competitive employer called retirement. You can't blame them for taking this new job, as the hours and benefits are hard to beat. Happy retirement, Liz Sutton, Rick Sparks, and Luisa Buenaflor! Your devotion and years of hard work paved the way for the new NBI family who will continue the traditions proudly. These three had a combined total of almost 90 years of experience, which is going to make my annual report stats look quite different this year! We wish you many adventures and happy times ahead. Thank you for

your wisdom and the memories, which will always remind us of why NBI is the best!
